LUKE 10:38-42

LUKE 10:38-42

PSALM 73:25-26

LAMENTATIONS 3:22-24

CONCLUSION: REMEMBER WHO THE POINT OF IT ALL IS

1. What good things in my life have become the things that occupy *the most space in my heart?* Have serving, caring for others, responsibilities, or even relationships begun to compete with my love for Jesus?

2. Where am I experiencing *anxiety, frustration, or inner turmoil* right now? Could those feelings be inviting me to pay attention to what has become centered in my heart?

3. What would it look like for me to *choose the good portion* this week? What might I need to lay down, reorder, or simply pause so that I can be more attentive to the presence of Jesus?
